

PINE-RICHLAND BASEBALL BOOSTERS

To: Community Businesses and Organizations
From: Pine-Richland Baseball Boosters
Subject: Sponsorship Opportunity (Pine-Richland School Baseball Program)

The Pine-Richland Baseball Boosters welcome the opportunity to partner with you as a sponsor to be advertised on our website for the Pine-Richland school baseball program

Participation offers a unique advertising opportunity for community businesses and organizations to communicate their business product, brand or service. It is a tremendous opportunity for you to attract more attention to your business or organization, and to demonstrate to others in the community your support of the Pine-Richland baseball program.

The Pine-Richland school district has a student population of over 3,600 and growing, consisting of many, many families who live in the community, and who have access to our website. Our website is accessed by parents and students, as well as others in the surrounding communities with an interest in our baseball program. The website includes items such as current news, practice and game schedules, upcoming clinics, and general communications.

As you know, our baseball program has a long and rich history, with demonstrated success in recent years. Our varsity team has won three (3) consecutive WPIAL section titles in recent years (2004-2006), as well as winning the state championship in 2006. The future of our program is bright, with our junior varsity, junior high, and middle school teams showing much promise for continued success in the future.

If you would like to become a sponsor of the Pine-Richland school baseball program, please complete the enclosed sponsorship form at your earliest convenience.
